

Akar ... Sound of A ...

Akar means the sound of Sanskrit letter A which itself is Devi Gayatri and it is part of OM that is also addressed as AUM, AOM, Mahamantra and Param Mantra

The deity shown in above painting is my actual-mom as a result of it will definitely was from her womb, that I had transmigrated this time round and she was also my mom during a lot of my earlier transmigrated incarnations (which were inside this and had been additionally inside beyond worlds)

Akar (or Sound of A or A Naad) is also the primary seed syllable of the Mahamantra of OM (i.e. AOM or AUM as it is referred to as in Sanskrit language) ...

The term “[Mahamantra](#) (which is used for OM)” actually means “Great Mantra” ... However since within the Vedic lore there can solely be one great, so this word i.e. Mahamantra, ultimately means “Param Mantra or Supreme Mantra”
